**UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA**

ALL INDIRECT PURCHASER ACTIONS

Pursuant to the Court's order dated March 21, 2014 (MDL Dkt. No. 2459), the Indirect Purchaser Plaintiffs ("IPPs") hereby provide notice of witnesses they may call in their case-in-chief at trial, either live or through deposition designation. In addition to the witnesses listed below, IPPs reserve the right to call witnesses listed on the witness lists of all other parties, and to designate additional witnesses as trial preparations continue, included, but not limited to, designating additional witnesses (i) for purposes of authenticating documents; (ii) in response to any amendments or revisions by Defendants of their initial witness list(s), exhibit list(s), written discovery designations, or deposition designations; (iii) in response to Defendants' exhibits and deposition designations; (iv) as necessary should any party settle or be removed from the trial for any reason; and (v) in response to the Court's resolution of any pending or future motions. IPPs also reserve the right to call custodians of records and witnesses to summarize voluminous writings or recordings. In addition, IPPs reserve the right to identify as witnesses all persons yet to be deposed in this action, but who are deposed prior to trial. IPPs also reserve the right to move into evidence previous trial testimony regarding subjects relevant to this trial. The identification of a witness in this list is not an indication or representation that IPPs control the witness or can compel his or her attendance at trial. IPPs also reserve the right to add additional witnesses in light of ongoing discovery between the Direct Action Plaintiffs and the Direct Purchaser Plaintiffs and Thomson Consumer Electronics, Inc., Thomson SA, Mitsubishi Electric Corporation, Mitsubishi Electric & Visual Solutions America, Inc. and Technologies Displays Americas LLC, which is ongoing.
